**EIA File No.: 4561-03-1504**

Dear Sir or Madam:

***Subject: Announcement: Environmental Impact Assessment Harvey High School Sewage Lagoon Decommissioning, Harvey, NB.***

The Department of Transportation and Infrastructure (DTI) is undertaking an Environmental Impact Assessment for the proposed decommissioning of the Harvey High School Sewage Lagoon at Harvey, NB. As per the requirements of the New Brunswick *Environmental Impact Assessment (EIA) Regulation – Clean Water Act*, Schedule A, Item N, the project constitutes a significant modification to “*all sewage disposal or sewage treatment facilities, other than domestic, on-site facilities*”.

The existing lagoon system, consisting of a buried concrete pipeline, manholes, an aerated lagoon and discharge pipe, have reached the end of their operational life and will be decommissioned and replaced with a new tank-and-field septic system. As such, DTI will remove and fill the manholes, remove the lagoon security fence and aerator, and infill and grade the lagoon site. The water and sludge will be discharged and buried, respectively, subject to the results of chemical analysis. The Environmental Impact Assessment study will assess the potential for environmental impacts from this project.

As per the requirements of the EIA Regulation, potentially-affected stakeholders are provided the opportunity to provide feedback on the project. The EIA report can be viewed at the following locations:

- Department of Environment and Local Government Website:

[http://www2.gnb.ca/content/gnb/en/departments/elg/environment/content/environmental\\_impactassessment/registrations/2018.html](http://www2.gnb.ca/content/gnb/en/departments/elg/environment/content/environmental_impactassessment/registrations/2018.html)

- The Harvey Post Office at 1956 Route 3, during normal business hours.

It would be greatly appreciated if you could provide your comments in writing or by email **by October 31<sup>st</sup>, 2018** to the following addresses:

- Mr. Jonathan Burttt at 364 York St., Suite 201, Fredericton, NB E3B 3P7
- Email: [jon.burttt@royconsultants.ca](mailto:jon.burttt@royconsultants.ca)

OR:

- Email: PO Box 6000, Fredericton, NB E3B 5H1
- Address: [Rachelle.voisine@gnb.ca](mailto:Rachelle.voisine@gnb.ca)

Yours truly,

**Jonathan Burttt, EP**

Environmental Specialist, Roy Consultants on behalf of DTI
