

Residential Curbside Recycling Event

The Southwest New Brunswick Service Commission is excited to invite you to our Residential Curbside Recycling launch.

We will be hosting an event this week in the Village of Harvey. Come join us for more information on the new program and to celebrate the success of our communities' efforts to divert waste from our landfill.

Wednesday September 12, 2018 5pm-6pm

Harvey Village Office

Cake cutting to take place at 5:30pm

SNBSC staff will be on hand to answer any questions about the program.

We look forward to celebrating this amazing community project
Don't let our Future go to waste
